25X1 6. [] Jay Sourwine, Senate Internal Security Subcommittee staff, called to say he had received a cryptic 3 x 5 card from an anonymous address with a San Francisco postmark. The card indicated that Edward S. Cohen is trying to suggest to David Welsh, of RAMPARTS magazine, that they conduct an investigation of overseas national airways. The card also expresses a belief that military officers both retired and active as well as the Marx Toy Company are "tied up in this." Sourwine said he had no idea as to what this is all about but was passing this on to us for our information.
